

admin / stock are default user names.

When user login with admin, this window is opened.

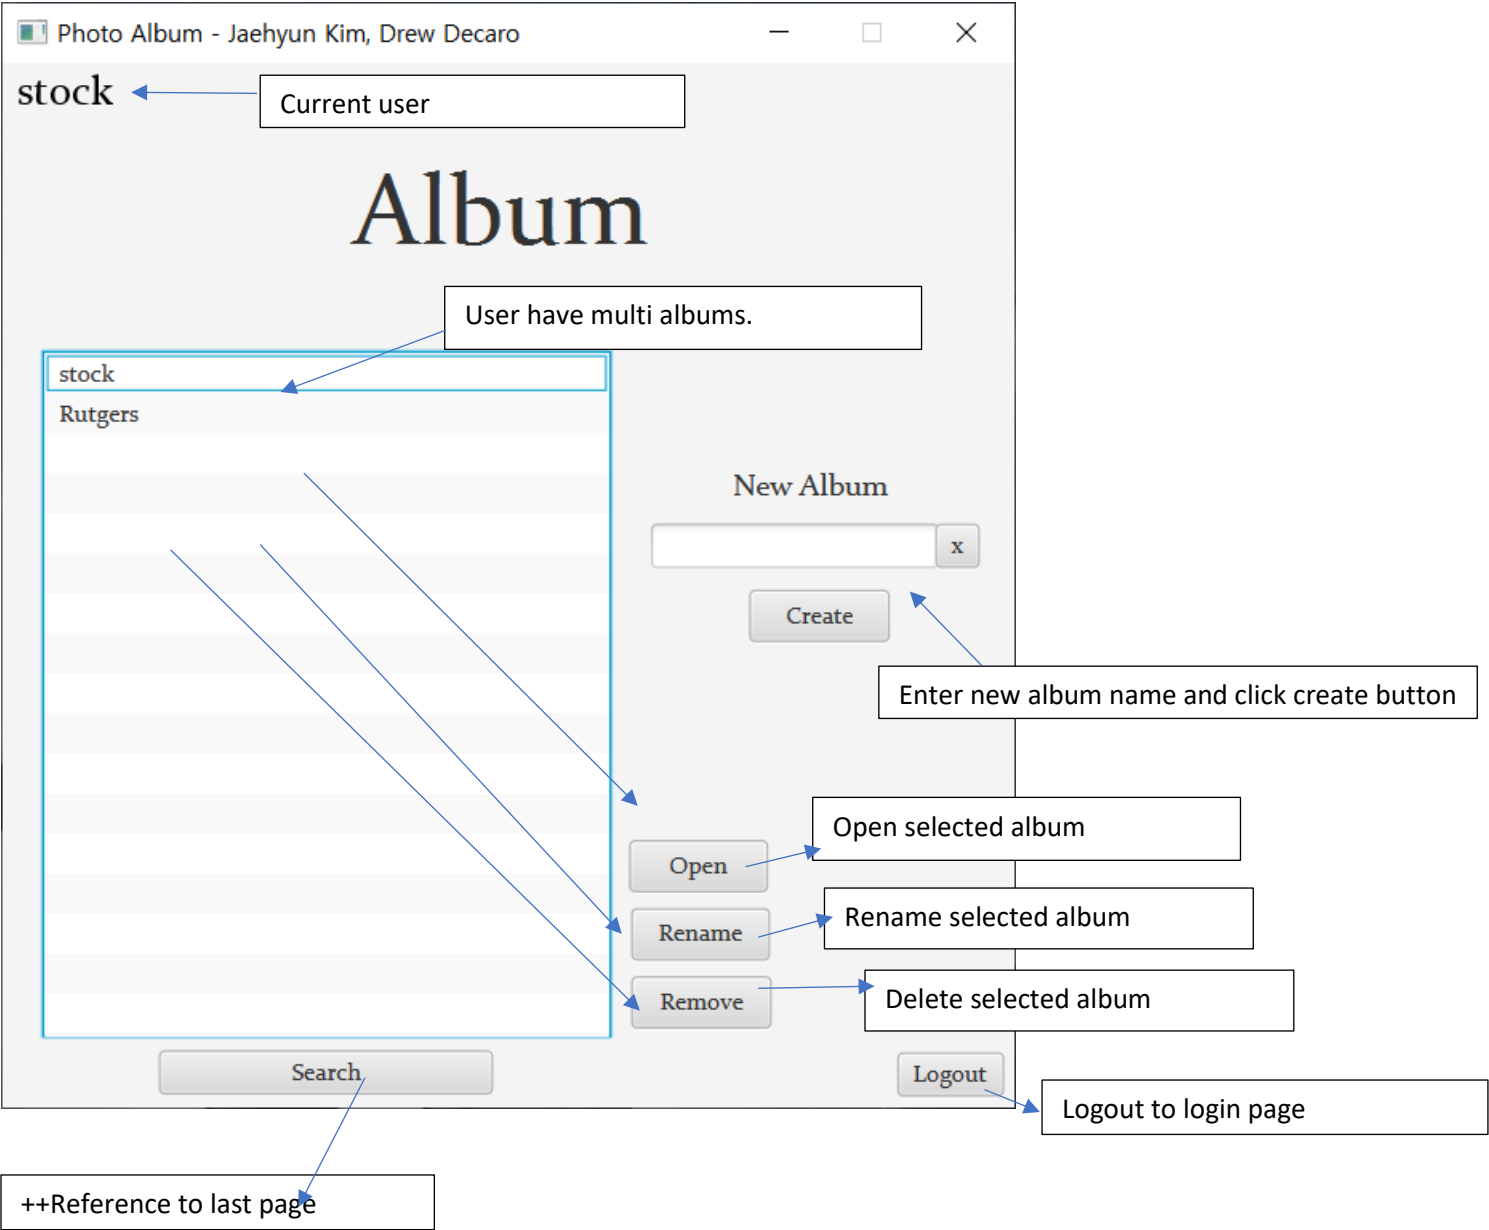

Current registered users.

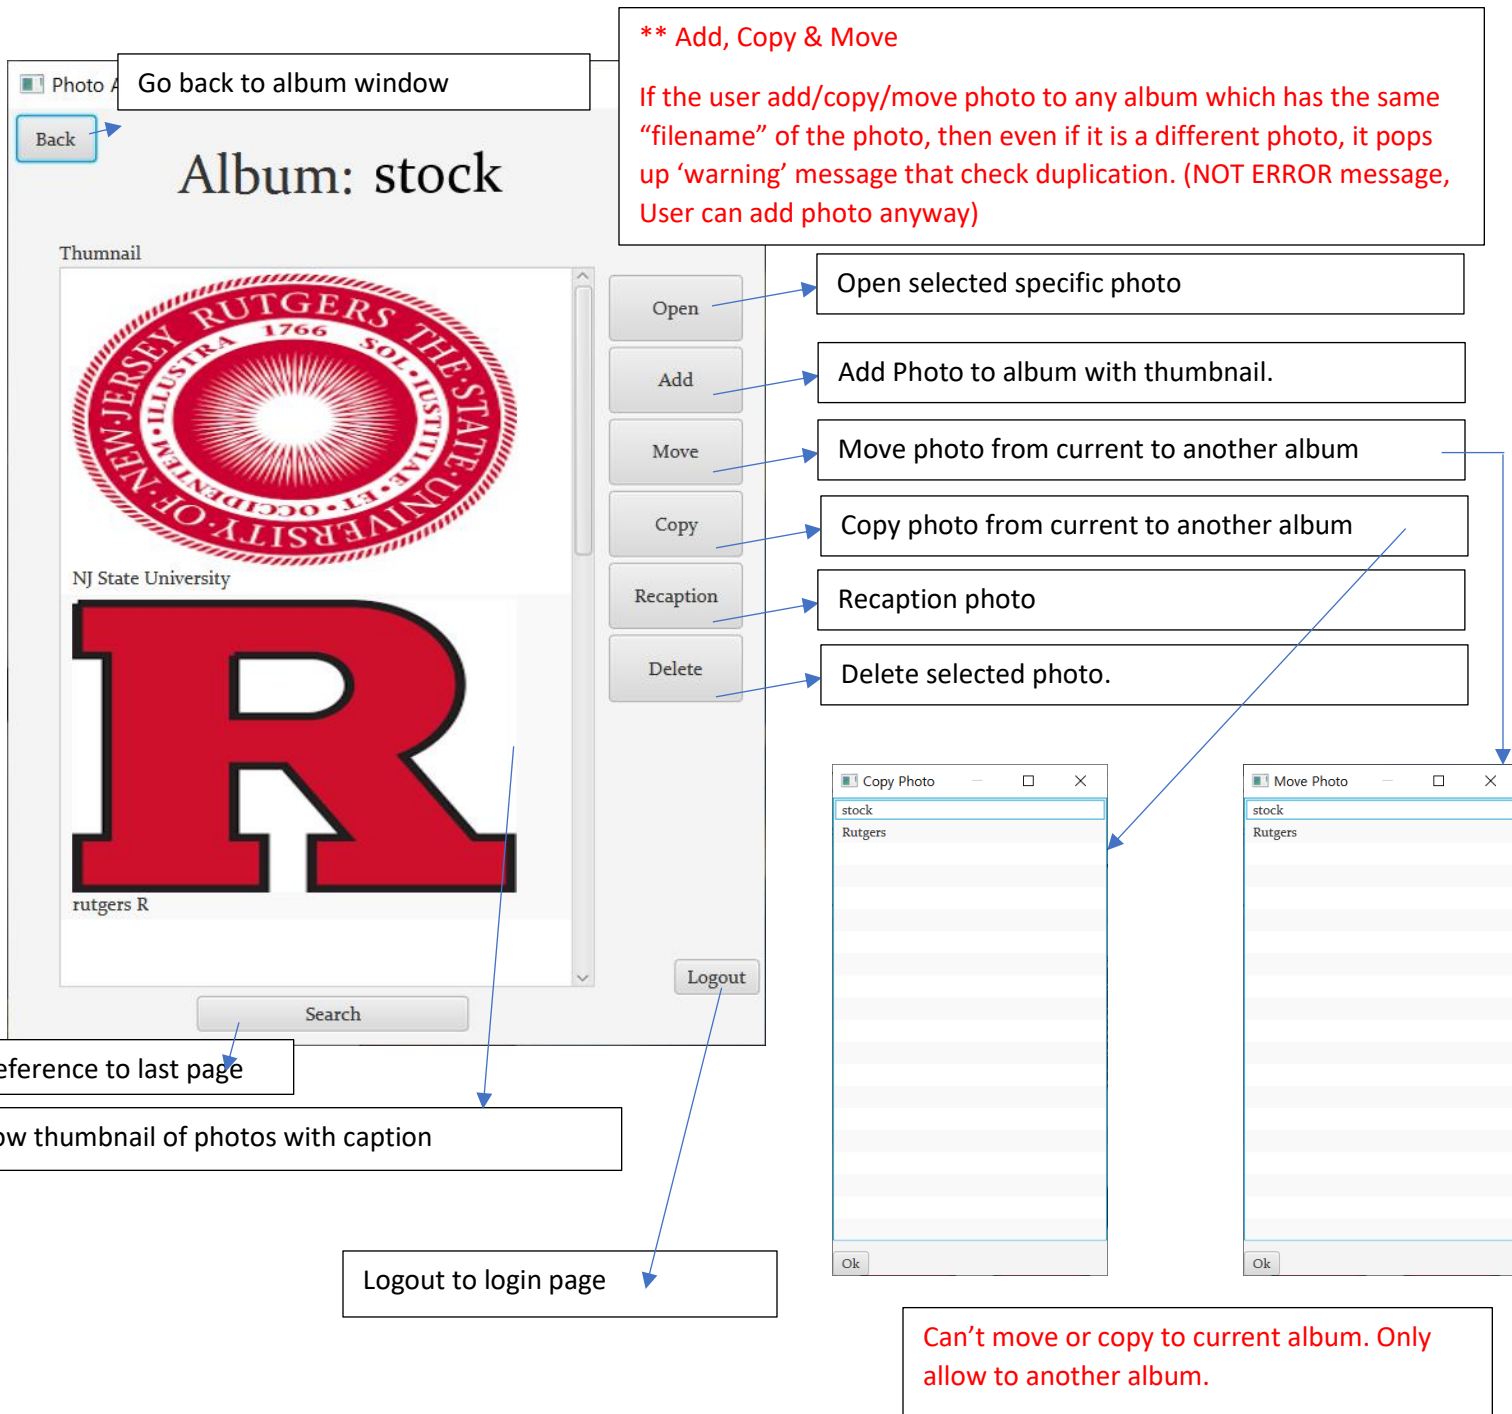

Enter new user and click create button.

Select specific list and click delete

Click logout button -> go to login page.

Enter specific user then album list show up.

When user open photo from photo album, it shows large size picture with manual slide, tags, date and caption.

The screenshot shows a photo viewer window titled "Photo Album - Jackson Kim Brown Brown". The main area displays a large red seal of Rutgers University. On the left, there is a "Tag" section with a "Back" button, an "Add Type" button, and a list of tags including "Location: New Brunswick" and "Rutgers: RU". Below the tags are "Add", "Edit", and "Delete" buttons. A "Caption" section below the tags contains a text box with "NJ State University" and an "Edit" button. At the bottom, there are left and right arrow buttons labeled "Manual slide buttons".

++

When search button click from album or photo album.

The image shows a 'Search' window with a title bar containing a 'Photo' icon and standard window controls. The interface is divided into two main sections: 'Date' and 'Tag'.

**Date Section:**

- A 'Back' button is located at the top left.
- A 'Return to Album or photo album' button is positioned above the 'Date' section.
- Under the 'Date' heading, there are two radio buttons: 'Date' (selected) and 'Tag'.
- A 'Click one of options' annotation points to the 'Date' radio button.
- Below the 'Date' radio button, there is a 'Choose specific dates' annotation pointing to a 'From' date input field.
- A 'To' date input field is located below the 'From' field.
- A 'Create new album & Save result' radio button is located below the 'To' field.
- An annotation 'If want to create album, select option' points to this radio button.
- A 'Search' button is located at the bottom of the 'Date' section.

**Tag Section:**

- Under the 'Tag' heading, there are two radio buttons: 'One Type' and 'Two Type'.
- A 'Choose one tag or two tag' annotation points to the 'Two Type' radio button.
- Below these radio buttons, there are two 'Person' dropdown menus.
- A 'Enter tag value' annotation points to the first dropdown menu.
- Between the two dropdown menus are 'And' and 'Or' radio buttons.
- An annotation 'Choose one of option and / or' points to these radio buttons.
- A 'CASE SENSITIVE' label in red text is located to the right of the 'Or' radio button.
- A 'Create new album & Save result' radio button is located below the second dropdown menu.
- An annotation 'If want to create album, select option' points to this radio button.
- A 'Search' button is located at the bottom of the 'Tag' section.
